

“SEIZING OPPORTUNITIES”

HICA 2014 NETWORKING PROGRAMME

WELCOME RECEPTION & NETWORKING

Sunday 14 September, 19:00 – 21:00

After the day's proceedings, the WELCOME RECEPTION & NETWORKING session will provide a great platform to start connecting with fellow conference delegates and 'break the ice'. This event will provide a unique opportunity to interact and exchange contact details.

EVENING RECEPTION & DINNER

Monday 15 September, 19:30 – 21:00

This cocktail function marks the official opening of HICA 2014 and serves as another opportunity to interact and network in a less formal environment.

NETWORKING LUNCH BREAK

Tuesday, 16 September, 12:30 – 13:30

As conference discussions draw to a close, the HICA networking lunch break presents an opportunity to secure those contact details, confirm appointments or seal those deals. This formal sit-down lunch will include light entertainment and an inspirational speech by a guest speaker.

“The more than 300 investors, bankers, operators, developers, senior executives, local and regional government authorities who crowded the HICA conference halls in Durban last year, bear testimony to the overwhelming popularity of the conference across the Continent.”
